Students can only be nominated for one semester.</p> <p><b>Deadlines for nominations:</b>            April 15th - nominations for the autumn semester            October 15th - nominations for the spring semester</p> <p>For the purpose of requiring a visa, Non EU students must be nominated as early as possible (April 1st /October 1st).</p>
Language of instruction	<p><b>All instruction is in English and based on dialogue, group work and presentations.</b></p> <p>Students <b>MUST</b> have English qualifications corresponding to <b>TOEFL 550 or IELTS 6.0. or Level B2 on Common European Framework for Languages</b> in order to be able to participate in class. Official language tests are not required, but we expect that our partner institutions ensure that the nominated students' level of English meets the above mentioned criteria.</p> <p>Please note a student's ability to read, write, speak and understand English will highly influence the quality of the study abroad period and the student's ability to pass exams.</p> <p>As an extra service to our international exchange students and partners and to ensure a satisfactory academic outcome of the students' stay here, we may choose to interview nominees by telephone or a virtual meeting before accepting them for a study programme. <b>Cphbusiness reserves the right to reject students whose level of English is evaluated as unsatisfactory during such an interview.</b></p>
ECTS	Mandatory 30 ECTS during one semester / Approximately 12 US credits

Structure, practical approach and courses	<p>Cphbusiness' programmes are interdisciplinary and <b>students must follow a full semester package of 30 ECTS</b>. This means that students are <u>not</u> able to select individual courses/classes.</p> <p>Group work, presentations and class-based dialogue are core elements in each programme. <b>The approach is practical and applies theories in practice with cases that are inspired by or made in cooperation with real companies.</b> Courses are cross-curricular and exams integrate 2 or more academic areas at the time. This will also appear from the final transcript of records.</p> <p>As of August 2022 students can choose "Cphbusiness Global semester" which in structure and learning outcome appeals to the majority of exchange students.</p> <p>Students who wish to apply for the semester at the top-up programme (3<sup>rd</sup> year) have to fulfil certain academic prerequisites. Places are limited and Cphbusiness faculty will assess the applicants.</p>
Approximate semester dates	<p>Autumn semester: End August to January 31<sup>st</sup>            Spring semester: End January to June 30<sup>th</sup></p> <p>Nominated students will receive information about the exact dates once registered for a semester.</p> <p><b>Exams can take place during the last 2 months of each semester.
