Assumpte: ERASMUS+ Placement Offer

**Dear Sir or Madam,**

I'm writing on behalf of a private language school KONTAKT CJO from Poland which has been successfully hosting Erasmus+ interns from different countries.

I wonder if you could distribute our placement offers among your students taking part in Erasmus+ internship programme, who may be interested in taking the internship in Poland.

We are offering places for trainees who would be interested in becoming either English/German /Spanish/French/Italian/Portuguese/Russian **language & cultural assistants** or **Digital marketing/Graphics design/Photography assistants**. You can find necessary details using this link:

We would be obliged if you could spread the word and send these placement offers to your students or publish them on your webpage.

Looking forward to your reply,
